Darlene Pastrana

Dear Corsica Neighbors,

My name is Darlene Pastrana, and I have been a resident and homeowner in the Corsica community since March 2022. My partner and I have had the privilege of watching our neighborhood grow from its initial construction phases, and we are deeply invested in its future. Corsica is where we are raising our family, and because we plan to stay long-term, I am eager to contribute my time and skills toward making our community the best it can be.

Professionally, my background is in social work, with specialized experience in Child Protection and Elder Care services. This career has taught me to approach challenges holistically and realistically to achieve the best outcomes. I strongly believe that solving community issues requires honest dialogue, clear transparency, and mutual respect.

My primary goal is to ensure Corsica remains a safe, family-friendly, and welcoming environment for everyone — a true safe haven to return to at the end of the day. As a mother, I want my son, and all our neighborhood children, to grow up in a united community where they can play safely. If given the opportunity to serve, I will bring a fresh, objective perspective to resident concerns. My top priorities will be fostering inclusivity, maintaining absolute transparency, and ensuring every resident's voice is heard and addressed with respect.

Thank you for your time and consideration.
